

Red Army Uniforms 1918 -1945 in Color Photographs, by Shalito, Savchenkov, Roginsky, Tsyplenkov; C 1999, Moscow.

Softcover, 208 pp. 12" x 8" format, English text. Printed on high quality paper.

This is a superb presentation of complete vintage Soviet uniforms, shown head-to-toe on live models. Extremely rare items were borrowed from the finest private collections in Russia to form this unique visual guide of uniforms and gear "as-worn".

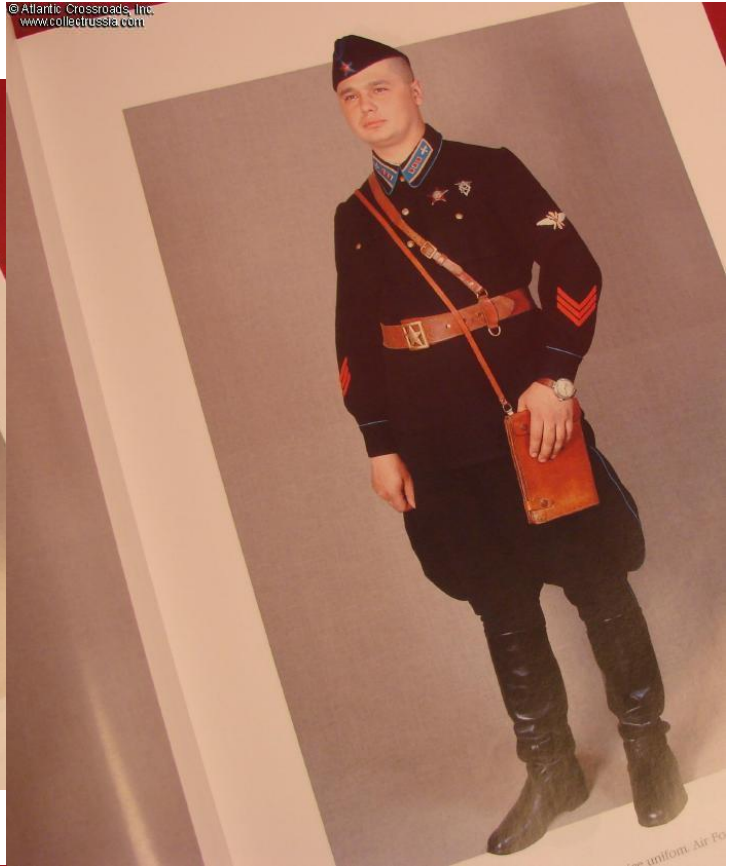

This book also includes a fine appendix of shoulder boards, headgear, edged weapons, badges, field gear, paper and personal items. Excellent guide for collectors as well as re-enactors and model builders interested in truly authentic detail. Highly recommended out of print classic. The book is in mint brand-new condition.
