

Narkomat of Railroad Transportation ID, issued on 2 July 1939 to Maria Khodykina.

Identifies her as worker of the "Water and Swamp TN-1" (?), Tomsk Railroad. Marked "valid until 31 December 1939". The photo is missing (it was probably "recycled" as is often the case with old Soviet ID cards). In very good condition otherwise, nice and solid.

Item# 20098

\$30.00
