

Award document for the badge Excellence in Socialist Competition of the Ministry of Shipbuilding Industry, issued in May 1956 to Nikolai Gorokhov.

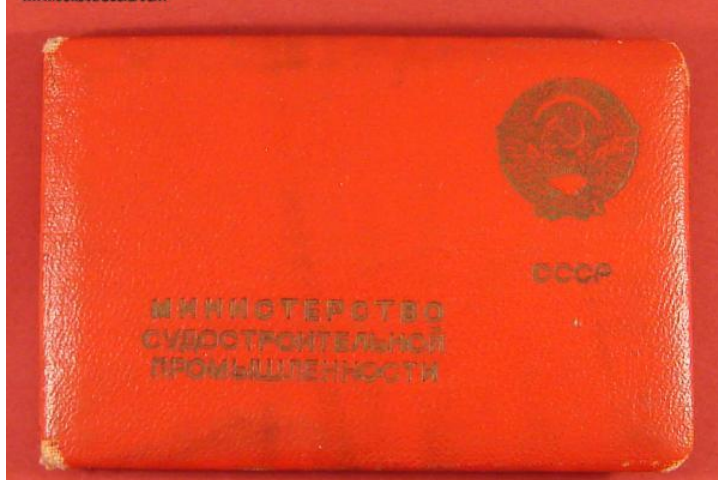

Hard covered 3 1/4" x 2" booklet wrapped in red leatherette, with the name of the ministry and Soviet state emblem on the cover. The inside cover shows depiction of the badge.

In good overall condition. Missing a photo that was apparently attached on the first page (not a requisite for this type of document); shows minor wear to the cover but still very clean and solid.
