

Silhoutte of Lenin in a Miniature Chromed Screwback Frame, C 1930s.

19.4mm x 3.8mm. Lenin is looking to the right. Chrome plated screwback brass frame. Pinback. Very fine condition.

Very similar in design to the classic 1924 Lenin mourning badge that also shows his profile in black against a golden surface. This artwork, however, has no dates.

/"Avers 8", pp. 25-26./
