

NKVD employee Photo ID, issued to Maria Shevchenko on 15 January 1939 and valid through 31 December 1939.

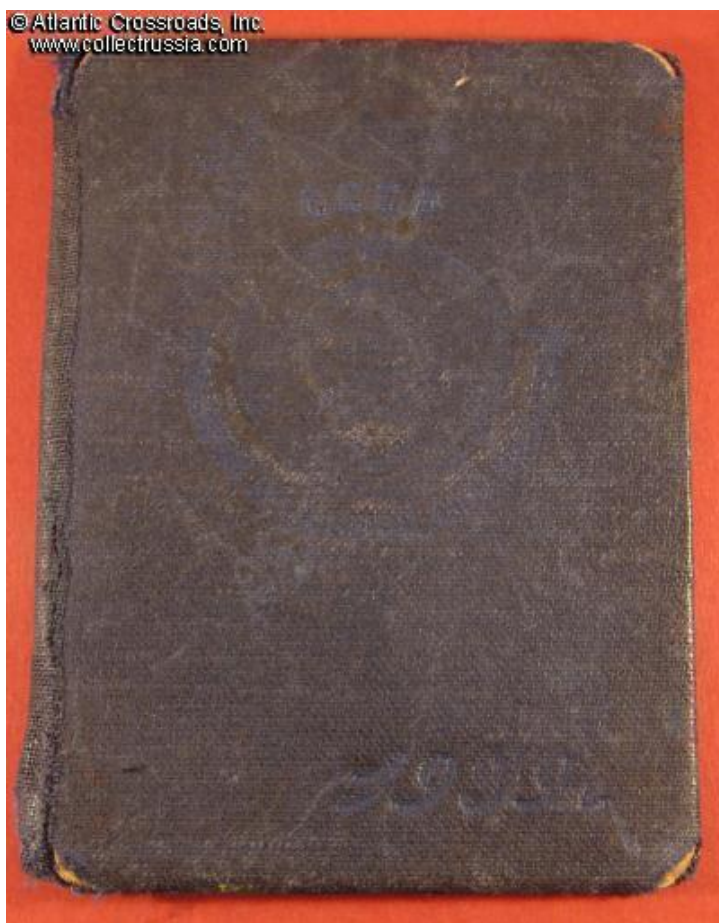

Shows ink stamps of the Transportation Department of the NKVD at Kazan Railroad and hand-signed by the department. The document states that Ms. Shevchenko's position is a typist.

In very good condition; shows moderate wear to the cloth cover but the impressed state seal and the date are well defined. Very clean inside pages and the photo, with light wear only.
