

Russian Super Destroyers: the Legendary Noviks Aleksandr Chernyshev.

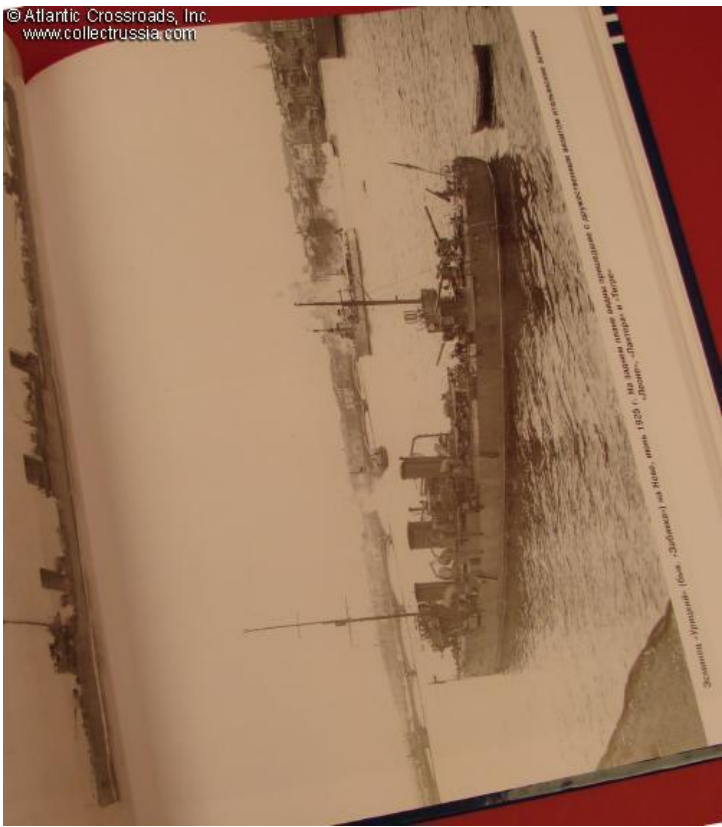

C 2011, Moscow. Russian text, 175 pp, 8" x 10 1/2" x 1/2" format, laminated hardcover.

Includes a great number of very clear period photographs plus extensive technical drawings. The book covers what was deservedly considered the best class of destroyers in the inventory of the Imperial Russian Navy. This is a substantially improved version of the previous work by Chernyshev on the same topic.
