## Restoration of Weapons, Valeriy Khorev, C 2009, Rostov.

In Russian, 292 pp, laminated hard cover, 7" x 9 1/2" format.

Interesting "do it yourself" advice on all aspects of edged weapons and antique firearms repair, restoration and preservation. Amply illustrated throughout with b/w and color photos. The author is an avid collector with years of experience and a former professional museum restorer. A "must have" book for a Russian sword collector.

Mild bumps to the spine and corners, otherwise in mint, brand new condition.

Item# 27329
