

Championship of the USSR in Firefighter Sports, Kishinev, participant's badge, 1983.

In aluminum, cold enamel and paint; 54 mm tall; Raised maker mark of the Kishinev Experimental Mechanical factory on the reverse.

In very fine condition. There is a small chip or unfilled area of the red paint on the lower left arm of the star - practically unnoticeable and not detractive. Perfect otherwise.

Item# 29295
