

# Badge for Excellence in Socialist Competition, Narkomat (People's Commissariat) of Ferrous Metallurgy, Type 2, #11207, 1941-1946.

Silver-plated brass, enamels; 29.5 x 22.1 mm. The serial number is engraved in characteristic manner vertically along the lower right part of the reverse.

In excellent condition. The enamel is perfect, completely free of flaking or noticeable wear. Raised details are completely intact and crisp. A very good amount of original silver plating remains on the worker and furnace, whereas silver finish on the reverse is practically pristine. The screw post is of full length, approx. 11.5 mm, and includes original screw palate marked "Moscow Artists Cooperative".

/"Avers 8", p. 122, fig. 615.b/

Item# 35702
