

Young Soccer (European Football) Goalkeeper, statuette in bronze, circa 1980s.

A scrawny young boy in oversized goalie gloves is laser- focused on the ball. Measures 5" tall, the base is about 2 ¼ " (6 cm) wide. The bottom is foundry-marked "NIMOR" and has Soviet-era retail price of 4 rubles 15 kopeks (a very hefty sum at the time when average monthly salary of an engineer was about 120 rubles.) Excellent condition.

Please note, penny in our photo is for size reference.
