

14th Congress of the Trade Unions of the USSR, Delegate's badge, 1968 issue.

Brass, paint, lacquer; 20.1 x 31.6 mm. Shows Lenin's quote "Trade Unions are the School of Communism" in the upper part. Raised mint mark "MMD" (Moscow Mint) on the reverse.

An attractive badge, although a bit more modest in its design than the splendid delegate badges of the later decades - more in line with the relative austerity of Khrushchev era. In excellent condition.
