

Order of the Red Banner Western Border Guard District, veteran's badge, circa 1980s.

Aluminum, paint, lacquer, measures 63.8 mm in height, 32.1 mm in width. The quality is quite high for a late issue badge and very much resembles badges made by the Moscow Mint, although there is no maker mark that would confirm a mint manufacture. Features flat reverse unlike some of the other badges of the veteran series.

In excellent condition.
