

Aluminum canteen painted olive drab, Soviet Army issue, dated 1953.

Complete with screw top and chain attachment. Stamped maker mark with a date to the bottom and a factory quality control ink stamp on the side. Practically the same as WW 2 flasks.

Very good condition, unissued or very lightly used, showing mainly storage age. There are some mild bumps and relatively minor scuffs to the paint, but no significant wear or damage. Our photos show an example.

Please note that the medal in our last photo is for size reference.
