

Yugoslavia, Order for Bravery, Type 2, #139930, complete set with original issue pouch and two ribbon bars.

The medallion is in brass with gilt finish, approx. 40 mm wide x 45.5 mm tall (including the eyelet). Stamped serial number to the reverse matches the number stamped on the pouch. The suspension device has a copper-plated pin in magnetic steel. The ribbon is in silk of very high quality. The ribbon bars have a brass backing with a pin (the backing is also in copper-plated steel, like the suspension for the medal.)

The set is exactly as it was originally issued by the authorities of the Socialist Federal Republic of Yugoslavia. The order and ribbon bars are in excellent condition. The gilt finish on the medallion is bright, nearly pristine, with only a mild patina of age. The pouch shows shelf wear and a couple of tiny spots but no stains or tears, still completely sound.
