

## Medal (Honorary Badge) to a Best Teacher - Komsomol Member, 1970s-80s.

Gilded and nickel-plated brass, enamel. Riveted two-piece construction medallion, 26.5 x 24.0 mm in width. Very high overall quality. Suspension device shows the raised logo of the Moscow Mint.

Very fine to excellent condition. The enamel has a couple of tiny hairlines that are nearly unnoticeable to the naked eye, otherwise intact and sound. Minimal amount of tarnish to the brass, no blemishes; the finish is overall bright and attractive. Unlike many other similar medals we've encountered, this appears to be a piece that has been issued and worn, not an unissued example.

Established in 1973, this badge was one of the high decorations of Komsomol bestowed on behalf of the VLKSM Central Committee
