

Military Archival Photo of Air Force Lieutenant Pyotr Ivanov in M35 Dress Uniform with Early Badge of an Air Force Technical School Graduate and Flight Personnel Sleeve Wings, circa late 1930s.

Measures 3 1/4" x 4 1/2", printed on glossy photo paper. The archival entry on the verso identifies the officer as Pyotr Gerasimovich Ivanov. The entry is not dated.

In very good to excellent condition. A tiny ink dot and minute storage wear to the emulsion, visible only when tilting the photo to reflect a bright light. There is a rust-colored fingerprint at the lower right-hand corner, blending with the dark surrounding area rather well and not too detractive. The verso has a stain at the bottom, not reaching the archival entry. The lettering and seal are crisp and perfectly legible. The image is in very sharp focus providing an excellent opportunity to have a close look at the uniform, insignia and badges.

Please note that the penny in our photo is for size reference.
