

Photo of an Air Force Lieutenant and his Brother, inscribed, dated 4 June 1939.

Measures 4 3/4" x 3 1/2", printed on uncommon cardboard-based matte photo paper. The inscription on the verso identifies the men as brothers Leonidov, one of whom is wearing an Air Force Lieutenant's uniform. The inscription is addressed to the "young Cheitsov family", probably a couple of newlywed friends.

In fair to good condition, showing multiple pushpin holes, a couple of creases and missing tips of two of the four corners. The image is a bit dark but in sharp focus, providing a nice opportunity to examine the details of the men's attire. The inscription on the verso is crisp and perfectly clear and legible despite being made in lead pencil.

Please note that the penny in our photo is for size reference.
