

DOSAAF Radio Operator Badge, 2nd class, circa 1960s.

Brass, enamels; 30.6 x 26.7 mm. Very nice early quality badge.

Very fine to excellent condition. The enamel retains a beautiful appearance and luster, and is perfect with the exception of a single tiny chip to the red star in the center. The gilt finish on the wings and wreath is well-preserved and bright. The screw post is full length, nearly 8 mm, and includes an original screw plate with mint logo. A very well-preserved and impressive piece overall.

Please note, the penny in our photo is for size reference.
