

DOSAAF Badge for Excellence in Studies, circa 1970s.

Anodized aluminum, "cold" enamels; approx. 36 x 26.5 mm. Excellent condition. The enamel is well-preserved, having only minor scuffs from storage, no chips or significant scratches. The screw post is full length, approx. 8.5-9 mm measured from its raised base, and includes an original screw plate maker-marked "KPM".

Please note, our photos show an example. If you order, we will send a badge of the same vintage and in the same excellent condition as the one shown.

The badge was established in 1968. It was awarded to students of various DOSAAF schools and training courses, primarily for pre-draft age boys, for mastering the study program.
