

DOSAАФ Motorcycle Driver, qualification badge, circa 1950s- early 1960s.

Brass, high-quality "hot-baked" enamel, 21.0 mm wide. Two-piece construction: the motorcycle is a separate superimposed part attached by wires.

Excellent condition. The enamel is perfect. The attachment wires are intact and tight. The pin is fully functional.

Please note, the penny in our photo is for size reference.
