

### DOSAAF 50th Anniversary Honorary Badge, 1976.

Anodized aluminum. "cold" enamels, lacquer. The pendant measures 39.0 mm in height, 34.0 mm in width; overall height with suspension is approx. 57 mm.

Excellent condition. The lacquer finish and enamel are perfect. The original ribbon is sound and clean.

Established in 1976 to commemorate the 50th anniversary of the DOSAAF, this version of the Honorary Badge replaced the earlier "non-jubilee" variety. Just like the previous versions, it was considered the highest award of the organization. According to the Badges of the Defense Society by D. Kuznetsov (C. 1983, DOSAAF Publishing House), there were 50,000 of these made.

Please note, the penny in our photo is for size reference.
