

DOSAAF Model Airplane Maker Badge, circa late 1950s-1960s issue.

Brass, enamels; measures 26.1 mm in height x 27.7 mm in width. There is the raised mint mark "MMD" (Moscow Mint) on the reverse.

Very fine to excellent condition. The enamel is well-preserved overall, free of chips, flaking or repairs. There is a single hairline to the red banner and some minor scratches that are not too noticeable or detractive. Nice even patina to the brass.

Please note, the penny in our photo is for size reference.
