

Soviet Armed Forces Serviceman Identification Jetton (Dog Tag), circa 1970s-80s issue.

In aluminum, measures approx. 46 mm x 26.5 mm. Shows a stamped inscription BC CCCP ("Armed Forces of the USSR") and personal alphanumeric identification of the soldier. Excellent condition, showing age and use but no significant flaws.

Please note, each dog tag has a unique number. If you order, the dog tag we will send you will have a different number than what you see in the photos, but its vintage and condition will be the same.

The penny in our photo is for size reference.
