

Photo Postcard with a portrait of German Titov, Second Human in Space, 6 August 1962 issue, the anniversary of his flight.

The size is continental standard 6" x 4", with a postal stamp affixed but not canceled. Published by the PRAVDA ("Truth") Publishing House, circulation 1 million. The caption under Titov's photo reads "Citizen of the Union of the Soviet Socialist Republics Hero of the Soviet Union, pilot-cosmonaut of the USSR German Stepanovich Titov."

In good to very good condition, showing mild staining and age-toning. The English language inscription on the verso is crisp and perfectly legible.
