

Government Postcard Glory to October, inscribed, 1977.

The size is continental standard 6" x 4", with a pre-printed postal stamp canceled by the stamp of a Kiev Post Office branch. Published by the Ministry of Communications of the USSR, circulation unknown. The inscription on the verso contains well wishes on occasion of the anniversary of the October Revolution.

In very good to excellent condition. The obverse has a little bit of storage wear, not too obvious or detractive. The verso has a few spots of post office ink, probably left by faulty mail processing equipment. The wear does not obscure the text of the inscription which is crisp and perfectly legible.
