

Medal in Commemoration of the 50th Anniversary of Soviet Police, 1967.

In nickel-plated brass; 32.1 mm wide. Stamped mint mark ЛМД ("LMD", Leningrad Mint) to the eyelet.

Very fine condition. There are some tiny dings and scuffs to the raised edge (greatly exaggerated in our enlarged photos) and a few slight, barely noticeable scratches but no other noticeable wear. The finish is bright and free of tarnish. The ribbon is old but very well-preserved, clean and sound.
