

### Postcard Steamship Leaving the Wet Dock, 1952.

The size is continental standard 6" x 4", postally unused and unmarked; published by the Soviet Artist Publishing House, circulation 50,000, quite small by Soviet standards. The artwork is an offset print of the painting by A. Alekseev, showing a tiny tugboat pulling a large ocean-going steamship out of the wet slip.

In excellent condition: a few tiny bumps to the left edge and barely noticeable corner bumps.
