

KGB Officer Service Visor Hat, dated 1957.

In napped olive drab wool with royal blue piping and band. Early style small rounded visor and distinctive smaller crown. The officer hat badge is of the early type, in brass and high-quality enamels. Complete with gold chin cord. The sweat diamond has a logo of the Moscow Krasnyi Voin ("Red Warrior") Headgear Factory and shows the 1957 date of manufacture. The stamped logo and lettering of the sweat diamond is very indistinct and hard to read, becoming somewhat legible only at a certain angle to a bright light. The liner is marked size 56 (US 7 / Medium). The inside of the sweatband has a rectangular Quality Control stamp in black ink.

In excellent condition. Shows only light wear to the leatherette band. The crown, band and liner are immaculately clean. The hat is completely free of moth damage.
