

Postcard All-Russian Railway Strike in October 1905, published in 1961.

The size is continental standard 6" x 4", postally unused and unmarked. Published by IZOGIZ Publishing House, circulation 20,000, very small by Soviet standards. The artwork is an offset print of a large oil-on-canvas painting by G. Savitskiy, on exhibit in the USSR State Museum of the Revolution.

In very good to excellent condition, showing just barely noticeable faint water stain along the right-hand edge, and two pink dots to the upper margin. None of the wear reaches the artwork.

The painting is a fine example of Soviet-era propaganda of revolutionary spirit, depicting a gamut of very expressive juxtaposed characters caught in this conflict, and its violent energy.
